Pardell, Randy	MD, DFAPA	NY 166228, FL 120886	370 Violet Avenue, Poughkeepsie, NY 12601	845-471-1807	info@riverviewpsychiatric.com	www.riverviewpsychiatric.com	Psychopharmacology, Transcranial Magnetic Stimulation, Mood Disorders, Bipolar Disorder, Major Depression, ADHD, PTSD, Anxiety Disorders	Individual Therapy, Medication Management	No	I do not accept insurance plans. However, other psychiatric practitioners at Riverview Psychiatric Medicine, PC accept many insurance plans.	Fee based on time requirements of appointments	Fee based on time requirements of session	Riverview Psychiatric Medicine, PC, Dutchess County's premier mental health practice was founded by Dr. Randy Pardell in 2004. Our Mission is to address both the physiological and psychological aspects of each patient's mental health condition. Our expertise is in the treatment of Major Depression, Bipolar Disorder, Anxiety Disorders, Obsessive Compulsive Disorders, Adjustment Disorders, Attention Deficit Hyperactivity Disorder, Schizophrenia, and Cognitive Disorders such as Alzheimer's Type Dementia. We evaluate each patient with an extensive medical and psychiatric history assessment, blood analysis, genetic testing to personalize medication treatment selection. We offer Neurocognitive Testing and OEGG Brain Mapping to assist in diagnosis and treatment direction. We develop an individualized treatment which includes: medication management, nutritional/biochemical hormone supplementation, psychotherapy, career coaching and consulting, Neurofeedback, Neurofield Treatment, Biofeedback and Transcranial Magnetic Stimulation (TMS) the breakthrough technology for treatment resistant depression.
